

Meezer Rescue 100 Club

Our goal? We are searching for 100 people who will pledge \$5, \$10, or \$15 a month to help offset the expenses of rescuing and adopting out Siamese kittens and cats from the county shelters. Become a member of our 100 club, share stories, sponsor a cat, get a tax deduction!

BE OUR SHINING STAR!

Example of our Costs:

Fee for kitten or cat: Varies per shelter

Spay/Neuter: \$50 (varies)

FVRCP Vaccine: \$12 individually, \$10 each in multiples

FELV/FIV Test: \$45

First Vet Visit: Usually free

Vet visits for sick kittens, and medicine? Expensive!

Low cost clinics, including the Humane Society, are used whenever we can. 90% of the cats from shelters come with an upper respiratory infection so they must be quarantined and medicated until they are well, before they can be spayed or neutered.

To sign up for this club, find Southern California Siamese Rescue on Facebook, and click on the tab "Meezer Rescue 100 Club". After signing up, request to join "Meezer Rescue 100 Club" Facebook group.

We **thank you** for your support!!!
